OUR CHAPTERS

ABOUT THE JAYCEES

The Georgia Jaycees is the leading civic organization for people 18 to 40.

We exist to provide development opportunities that empower young people to create positive change across Georgia.

As a part of Junior Chamber International, we are part of a historic movement that has sought to fulfill that mission for over 100 years.

Founded in 1930, the Georgia Jaycees have played an influential role in creating Georgia into what it is today and providing opportunities to many community leaders throughout the last 90 years.

Our 2021 theme, "Forward Together", emphasizes the need for our communities, chapters, and members to work together to fully recover from the COVID-19 Pandemic.
